Giffords Gets Her San Francisco Treat

Phoenix fundraiser with Pelosi exposes Giffords' true colors

TUCSON, AZ – So much for the “[new center](#)” charade. San Francisco’s own Nancy Pelosi will be in Phoenix on Saturday to headline a \$500-a-head fundraising event for Gabby Giffords, allowing the two liberal birds of a feather to once again spend some quality time together.

“If southern Arizona voters needed any more proof that Gabby is a moderate-in-name-only, this Pelosi fundraiser makes it crystal clear,” Pima County Republican Party Chair Judi White said. “Gabby has been a reliable foot soldier for Pelosi, so it’s no surprise that Pelosi would want to shake the money tree for such a loyal supporter.”

Just a few of the instances where Giffords and Pelosi have voted together include:

- H.R. 3162 – Voted to cut seniors' Medicare, created a new tax on private health insurance, and opened the door to taxpayer-funded healthcare for illegal immigrants. [[Roll Call 787](#)]
- H.R. 800 – Voted to strip workers of their right to a secret ballot in union elections. [[Roll Call 118](#)]
- H.R. 2829 - Voted to allow taxpayer funds to be spent on needles for drug addicts. [[Roll Call 589](#)]
- H.R. 1591 - Voted for a Democrat troop withdrawal bill that tied spending for our soldiers to billions of dollars in pork. [[Roll Call 186](#)]

“Gabby Giffords has fully embraced a Pelosi-led agenda that is far out of step with mainstream southern Arizona,” White said. “San Francisco already has enough representation in Congress. We deserve a leader who will stand up for southern Arizona.”
