

# Reject KEVIN GIBBONS and DIRTY CAMPAIGNS

LIBERAL, DEMOCRAT, AND PRO-AMNESTY GROUPS WANT TO “PUNISH” RUSSELL PEARCE FOR DEFENDING OUR STATE AND NATION AGAINST ILLEGAL IMMIGRATION. SO THEY LAUNCHED VICIOUS PERSONAL ATTACKS AGAINST HIM AND HIS FAMILY.

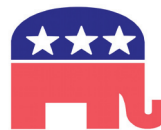

*WHY DON'T THEY CHALLENGE HIM ON IDEAS OR ISSUES?*

BECAUSE RUSSELL PEARCE HAS AN EXCEPTIONAL VOTING RECORD!

“Russell Pearce is both a great Republican and a great American. He protects our state and nation from illegal immigration, he defends our sovereignty, he fights against activist judges, and he works FOR the taxpayers, families, and citizens of Arizona. I urge you to cast your ballot for our friend and proven representative, Russell Pearce.”

**A group calling itself “Mesa Deserves Better” is attacking Russell Pearce’s family with the ugliest attack mailers imaginable.**

**If they don’t respect the law, why would they respect the truth?**

**Meet Nathan Sproul, the disgraced Tempe political consultant who is hiding behind the “Mesa Deserves Better” name...**

Sproul operates a number of businesses with ever-changing business names, yet allegations and investigations seem to follow him from state to state. Fox News reported on the criminal investigations launched in Oregon and Nevada into operations linked to Sproul & Associates amid allegations of destroying voter registration forms. These charges were even brought to Attorney General John Ashcroft and the Department of Justice by two United States Senators. Sproul was later linked to similar efforts and investigations in West Virginia.

CBS News reported on Sproul’s attempts to assume the corporate identity of America Votes, a non-partisan voter registration group. Sproul’s misdeed was discovered by a librarian who alerted the people who ran the real America Votes.

The Associated Press covered the stories of Liberty Consultants, a Sproul sub-contractor, that was banned from Wal-Mart stores in Tennessee, California and Nevada for violating the store’s policy on voter registration drives.

**Mesa Deserves Better than Nathan Sproul!**
