

Maricopa County Republican Party

VOTE FOR THE PARTY PLATFORM CONSERVATIVES!!!

Schultz - Hobbs - Grimm - Costanzo - Sweeney

Our Mutual pledge - If elected, as Members At Large, we will continue to advocate for our EGC to follow, and be guided by, the conservative principles and values embodied in our State Party Platform. And, whether elected or not, we will continue to use the internet, shoe leather, and all other means to recruit as many active conservatives as possible into the precinct committeeman ranks of our Party and encourage our fellow conservative precinct committeemen to do the same. Join us. Thank you for your vote.

Our Five Statements of Principle:

- 1) We believe in the conservative principles embodied within the Republican Party Platform.
- 2) We believe all levels of government can balance their budgets without raising taxes. Our current fiscal problems are the result of too much spending, not too little taxing.
- 3) We believe all levels of public education must reestablish teaching the doctrine of American Exceptionalism. America is a shining city on a hill, and we aim to keep it that way!
- 4) We believe in and support the mission of our armed forces to keep America safe by proactively attacking terrorism at its roots, rather than waiting for terrorists to attack America again.
- 5) We believe in returning to an originalist interpretation of our Constitution, including reaffirming States' 10th Amendment rights in defense against ALL Federal mandates.

YOUR MARICOPA COUNTY EGC CONSERVATIVE MEMBERS-AT-LARGE!

Daniel J. Schultz

Dan Schultz, a Member-at-Large on the Maricopa County EGC, a veteran, a Precinct Committeeman in District 17, and a graduate of West Point, has actively campaigned for conservative Republican Party candidates in CA and AZ. He has served as an official Republican poll watcher and co-founded, the Lawyer's Second Amendment Society (LSAS) to fight for repeal of the unconstitutional assault weapons ban and to educate attorneys about their duty to fight for the rights guaranteed by the Bill of Rights. The LSAS filed briefs and petitioned the Supreme Court in support of the right to keep and bear arms. Dan has recovered well in excess of \$135 million for insurance policyholders working as a trial attorney. Dan is an unabashed conservative, believing in the strong Reagan principles - especially when Reagan suggested raising a banner of bold colors--no pale pastels. Dan believes the heart and soul of the Republican Party reside within the grassroots precinct committeemen and has given much time and talent towards recruiting conservative PCs.

Joseph Hobbs

Joe Hobbs is a Member-at-Large on the Maricopa County EGC and a Precinct Committeeman in District 12. In 2008, he ran a statewide campaign as a conservative candidate for the Arizona Corporation Commission, garnering 90,000 votes in an 8-way, statewide primary. His major objective was to repeal the Arizona Renewable Energy Standard Tariff in order to protect all Arizonan's from a long series of unnecessary rate increases. Joe believes we need more conservative candidates who will champion a smaller, limited Federal bureaucracy, greater State sovereignty, and total independence from foreign oil. Joe works to elect candidates who are committed to repeal Obamacare, balance the budget secure our borders, stop the bailouts, re-focus the EPA, close the Department of Energy, immediately enact the pro-growth policies needed to get America back to work, DRILL HERE - DRILL NOW. Joe extends his hand to fellow Republicans, "We need a new CONSERVATIVE revolt, with Reagan Principles as our standard - and protection of our Constitution/Bill of Rights as our guiding principles. We want to restore American exceptionalism.

Maricopa County Republican Party

Dan Grimm

Dan is currently a Member-at-Large on the Maricopa County EGC, a PC, and a State Party Committeeman in LD19. Dan began his Republican activism in College (Penn State) in 1980 on the Students for Bush Campaign. Inspired by 9-11, Dan became active again in politics and was a founding member and past Chairman of the Valley Conservative League (VoCaL). Dan continues working at the grassroots with the East Valley Tea Party, recruiting PC's in precincts with high vacancies. As a Member-at-Large, Dan has worked in planning the County Annual Meetings from 2009 through 2012 and the Lincoln Day Luncheons from 2009 to 2011. In Dan's words, "Our Nation's current condition reminds me so much of 1980 because our current President reminds me so much of Jimmy Carter! We must come together as Republicans in the face of the greatest onslaught of Liberal Democrat Extremism in

thirty years! As Benjamin Franklin said, "We must all hang together, or assuredly, we shall all hang separately!"

Andrew Costanzo

Andrew, a Precinct Committeeman and the Secretary in District 17, is a life time conservative Republican who was raised in a home where the immorality of liberalism was preached. A member of the South Valley Pachyderm Coalition, Andrew has assisted the recent campaigns of JD Hayworth, Rob Haney, Tom Morrissey, Jennifer Wright and Russell Pearce and is currently working to get Republicans elected to Tempe City Government. Andrew, a life member in the NRA, firmly believes in personal responsibility, individual liberty and the rule of law. As a small business owner, Andrew is an associate member of the Arizona Law Enforcement Emerald Society, and has raised over \$30,000.00 for the families of fallen Officers. 2012 may represent our last best chance to peacefully restore the Constitutional values of our great Republic, through aggressive recruitment of conservative Precinct

Committeemen and grassroots efforts, together we will prevail. God Bless America.

Ray Sweeney

Ray Sweeney is a U.S. Marine veteran of Vietnam and holds a B.A. in Political Science/Pre Law from American University in Washington, D.C. Ray has been actively involved in local grassroots efforts for the Republican Party in campaigns for Jennifer Wright, Wes Gullet, Joe Arpaio and Bill Montgomery. He is currently a P.C. in LD 11, and brings a long history of community involvement and entrepreneurial experience as an independent business owner and employer. Ray is a strong advocate of States Rights and limited Federal Government, and is opposed to governmental bailouts, and federal intrusion into Education and Energy production in the U.S. A balanced budget and repeal of Obamacare is necessary in order that we regain fiscal sanity and solvency. Second Amendment rights must be protected without compromise. We must all work toward unifying the Republican Party into ONE VOICE, avoiding trivial side issues. I will work to create the momentum necessary to win the 2012 elections at the state and

national levels. Let's do it together. Let's do it now.

"I cannot imagine a stronger team of Members-at-Large who would advance the cause of Constitutionally based liberty for the MCRC more than Dan Grimm, Joe Hobbs, Dan Schultz, Andrew Costanzo and Ray Sweeney."

Russell Pearce, former Arizona State Senator & Senate President

"The Party Platform Conservative Slate for Members-at-Large, Dan, Joe, Dan, Andy, and Ray, are 'can-do' kinda guys! They won't let you down when the going gets tough and in this election year, the going will be very tough. Vote for the Party Platform Conservative Slate. I know I will."

Joe Arpaio, Maricopa County Sheriff

In the history of America, during our darkest times, good and honorable Americans have stood, and been counted to make a difference. That American trait is carried on yet today. I'm proud to know and be associated with those willing to do the heavy lifting; Dan Schultz, Joseph Hobbs, Dan Grimm, Andrew Costanzo and Ray Sweeney. The Arizona 2012 Project is pleased to support them for the "Platform" Members-at-Large positions in the MCRC.
